## WHIRLWIND PAPERWEIGHT

SKU: PW-WHIRGLA-020-CL

The Whirlwind Paperweight captures the turbulence and ferocity of a storm over the ocean as it grows in size and strength.

Sometimes this phenomenon develops into a tornado or hurricane and occasionally they subside and return to peace and tranquillity.

Each Whirlwind paperweight is skilfully hand blown and totally unique.

### MATERIALS:

Glass - All Objet Luxe glass items are handmade (sizes and colours can vary slightly).

### DIMENSIONS:

Width: 9.5cm • Depth: 9.5cm • Height: 9.5cm
